

# Baroque minimalism on display at Kinderhook reception this Saturday

Sat. 6/28 • 6pm • September, 4 Hudson St., 3rd Floor, Kinderhook

by HV1 Staff June 27, 2025 in Art & Music

Hudson-based Nicole Cherubini comes to Kinderhook hot off recent museum shows at The Tang and Mass MoCA. She is renowned for her mixed-media works—especially ceramics—that probe the intersections of identity, objecthood, and power. Spanning sculpture, photography, and performance, *The Motherlode* showcases her signature “Baroque Minimalism” alongside new explorations of the female figure, collaborative dance, and interactive clay benches.
